### EDUCATION

2020 - 2023

Jawahar Lal Nehru Polytechnic  
Sitapur

- Diploma In Computer Science and Engg.

2023 - 2026

Dr. A.P.J Abdul Kalam Technical  
University

- Bachelor of Technology

### SKILLS

- HTML
- CSS
- Bootstrap
- Javascript
- JQuery
- C#
- LINQ
- ASP.NET Core (MVC)
- ADO.NET
- Dapper
- EntityFramework
- Microsoft SQL Server
- Angular JS (Beginner)

### PROFILE

Results-driven and detail-oriented .NET Developer with a proven track record of designing, developing, and implementing innovative software solutions. Armed with a deep understanding of the .NET framework, C#, and ASP.NET, I excel in crafting robust, scalable, and high-performance applications that meet and exceed client expectations.

### WORK EXPERIENCE

- **Roundpay Techno Media Pvt. Ltd** 2022-2024  
.net developer
  - **Application Development:** Spearheaded the design and development of innovative web applications using the .NET framework, ensuring robust and scalable solutions tailored to meet client requirements.
  - **Full Stack Development:** Engaged in full-stack development, seamlessly integrating front-end and back-end components to deliver cohesive and user-friendly applications. Employed technologies such as ASP.NET, C#, and SQL Server to create dynamic and responsive interfaces.
  - **Collaborative Problem Solving:** Worked closely with cross-functional teams to analyze user needs, refine specifications, and implement effective solutions. Contributed to brainstorming sessions and code reviews to enhance overall code quality and maintainability.
- **Database Management:** Designed and maintained relational databases, ensuring optimal performance and data integrity. Utilized SQL Server for efficient data storage, retrieval, and manipulation.
- **Troubleshooting and Debugging:** Demonstrated proficiency in troubleshooting and debugging, resolving issues promptly to maintain seamless application functionality. Utilized debugging tools and methodologies to identify and rectify issues effectively.
